Make a U-turn at the light at **REED St**., then immediately move to the **RIGHT** lane. The Sheet Metal Workers Union Hall is on your right, **behind the black fence**. **Note: The sign at 1301 is for PENNS LANDING CATERERS - THIS IS THE CORRECT LOCATION** (the Building is lettered for the Sheet Metal Workers Local 19). Turn Right into the first driveway. **Go straight past the brick building on the right, then turn right and park in a designated parking space only.**

The Train Collectors Association (TCA), through its Standards Committee, has modified the procedure for the sale of **properly marked Reproduction Parts**. All vendors of reproduction parts must have a Certificate of Compliance (**COC**) and display this certificate on their table at all TCA functions where items are being sold. If you do not have a certificate, they are available from the National Business Office. Applications for a certificate and a temporary certificate are also available from the Division President, Secretary, Standards Committee members and at the Division table at the show. Standards Committee Members will check all tables for a **COC** and properly marked parts. No change has been made to the parts making requirements, which have been continually published in the TCA National Headquarters News for many years.

You must be at least eighteen (18) years of age in order to rent a table at any TCA or Atlantic Division Train Show.
