Your membership card will be mailed to you once your renewal/application has been processed.

Is the above information the same as last year? Yes No

Mail Preference: US Postal Service E-Mail Both

Mail Preference: We regularly mail newsletters, train show notices and other information to our members during the year. If you would prefer to receive these communications by regular US Postal Service delivery, check the box to the right of **US Postal Service**. However, if you would rather receive these by e-mail, check the box to the right of **E-Mail**. If you want these documents delivered by both methods, please check the **Both** box.

If you select the e-mail option, you will still receive two (2) mailings per year via the US Postal Service. These will be sent in August and October, and will include the annual election ballot and membership renewal, respectively, as well as other information about scheduled events and updates of division activities. By selecting the e-mail option, you can help to keep division expenses down, save a few trees and help to maintain your dues at their current level.
